Description:

Vandermeer Construction...

The team at Vandermeer Construction has taken pride in transforming local homes since 1998. There's no better crew to trust when it comes to turning your property into your dream home. The company was founded by a husband and wife, Dave and Angela Vandermeer, who know the value in a family's home. They treat every customer's home as though it were a Vandermeer home. When our team arrives at the job, it's their mission to improve the quality of the customer's life by making transformations that go above their expectations. We're one of the most trusted remodeling companies in the area because we focus on the entire customer experience to make sure our work lasts for decades to come. You'll be able to build many family memories throughout the years under your roof.
